**Hey Sophoulla! Welcome to Elite, tell us a bit about yourself:** Hi Elite! A little about myself...I'm 20 years old and my favourite things are glitter, crystals and Assassins Creed. Oh, and weed. Obviously.

**We'll start with the burning existential question... What bra size are you?** 30GG. And I grew them all myself. ^^

**What was it like to work with the photographer on this shoot?** Tripodski was amazing! We got on super well and he's a pretty decent singer too!

**What was your favourite part of the shoot?** The absolute best part was all the emo music we had playing. I'll always be a little emo kid at heart.

**What's your favourite part of your body and why?** I love my hands! They've been called 'freakishly small' but I think they're really nice!

**What's your favourite item of clothing?** Lingerie. Black bodysuits are heaven.

**How did you come to become a model?** It all started with Suicide Girls! I can't thank them enough for kickstarting my modelling career. <3

**Elite have HYPOTHETICALLY agreed to buy you some new underwear, where would you send us to get it?** Either Malice or Filthy Dirty! I love them both.

**Yes or no, have you ever seen the film "The Empire Strikes Back"?** No... don't hate me.

**If your love life was an animal, which would it be?** A sloth.

**What's the weirdest location/prop you've had on a shoot?** I actually haven't had anything weird yet! It's about time really.

**What do you like most about Elite?** The sheer amount of awesome people that you collab with! So many rad people in the mag each month!

**Finally, is there anything you would like to say to the Elite Readers?** Thanks for looking at photos of my tits!

Hey Preeti! We'll start with the burning existential question... What bra size are you? Hey! I am 32FF.

What was it like to work with the photographer on this shoot? I had a lot of fun shooting with Jack, he's really cool and laid back and has a bit of a dry sense of humour which I find amusing. I'm really pleased with the images... He's a talented man!

Photographer: Jack Russell

---

**What's your favourite part of your body and why?** It would probably be my bum because I do love a round full bum, but it's always a work in progress!

**What's your favourite item of clothing?** I'm not a very fashionable person, I definitely go for comfort. I love a pair of leggings, they are comfortable, cute, easy to dress and perfect to show off your legs and bum!

**What does it mean to you to join the Elite family?** I'm very excited! I'm always checking out your Instagram and issues, so to see myself in them is very cool... Thanks guys!

**How did you come to become a model?** It started about 6 years ago. I had a friend that was modelling and I went on a shoot with her. I was really interested in the industry and the photographer asked my twin sister and I if we would like to shoot, then we got a call from Babestation and the rest is history as they say!

**If your love life was an animal, which would it be?** I think penguins are cute, they wait for Mr. Right and then mate for life, but if he doesn't turn up, the show must go on.... Sums me up right now haha.

**What's the weirdest location/prop you've had on a shoot?** My last shoot was on a building site, it was so dirty and cold but I think it made a lot builders day when they walked past!

**How do you stay in such modelly perfect shape? Exercise? Diet? Good genes? Or luck?** A lot of it is down to good genes but I do go to the gym 3 times a week to stay toned.

**What do you like most about Elite?** The variety of girls, some magazines only publish girls with one type of look but Elite has so many hot girls with different styles and looks!

**What was your favourite part of the shoot?** When he fed me cakes! Feeding skills are important to me!

Elite have  
HYPOTHETICALLY  
agreed to buy you  
some new underwear,  
where would you  
send us to get it? At  
the moment I'm loving  
ASOS underwear,

A full-body portrait of a woman with long, wavy purple hair and extensive black and grey tattoos. She is wearing a white, low-cut, form-fitting bodysuit. Her tattoos include a large floral piece on her upper chest, a portrait of a woman on her right arm, a large skull on her left arm, and various other designs on her legs and hands. She is wearing large gold hoop earrings and has a serious expression. The background is a solid, vibrant red. The word "Evelyn" is written in a large, elegant, black script font across the lower half of the image.

**Hey Eden! Welcome to back Elite, how long have you been modelling?** Hey Elite! It has been 3 years at the end of this year, I'm still a newbie.

**What was it like to work with the photographer on this shoot?**

Tripodski is such a great guy! We got some amazing shots! I love working with Elite!

**What was your favourite part of the shoot?** The singing! We had so much fun! I love shoots that are relaxed and are a good laugh.

**What's your favourite part of your body and why?** I like all of it now! It's taken me a long time to feel comfortable with myself! I've lost 4 stone in total. If you don't feel good about yourself it's so hard to feel good about anything else! Self love is so important.

**On a scale of one to ten, how good looking are you?** A unicorn! I'm off the scale! Haha everyone has good days and bad days don't they! Looks aren't everything though! Personality will beat looks hands down any day!

**If you could model for any brand, product or company, which would it be and why?** Agent Provocateur or Balmain! I love expensive, luxurious, high fashion! Both brands are extravagant, dangerous and beautiful! I love stuff like that!

**You're hosting an Elite sponsored jelly wrestling competition. Which four celebrity combatants will you book and why?** Nicki Minaj, Khloe Kardashian, Megan Fox and Vicky Pattison. I need a team of feisty strong bitches!

**What's your favourite song currently?** I'm loving the new *Bring Me The Horizon* album - I've got that on repeat at the moment.

**What would you like Elite readers to take away from your pictures in our illustrious mag?** I hope they like them and want me to come back.

**What's a guaranteed turn on for you?** Good thighs! Big eyes! Cheek bones! And no one is immune to the neck kiss!

**Describe your perfect photoshoot:** A huge wardrobe of amazing clothes! And a team on the same creative wavelength as me! When everyone's working for the same results it's an amazing feeling! Plus I like to have fun! My best work is from shoots that I have fun on.

**How do you stay in such modelly perfect shape?** Exercise? Diet? Good genes? Or luck? If only it was good genes! I have to work so hard to stay in shape! I'm a size 12 and it suits me perfectly. I've been waist training for a year now and gone down 3 inches to a 27 inch waist! I love that hour glass figure! I've lost a stone this year due to diet and exercise! I love carbs and junk food but everything in moderation! I'm not a big drinker and I try and get lots of sleep. Sleep and water are underrated!

# Ruby Brooke

**Hey Robyn! Welcome to Elite, tell us a bit about yourself:** Thank you :) It's great to be back again. Well... not much has changed, apart from the hair I'm still a crazy gamer with a love for animals and a passion for awesome modelling.

**What was it like to work with the photographer on this shoot?** Mermaidium was absolutely fantastic! Fun, friendly so easy to get along with and we got some amazing images that I am really proud of! 10/10.

**What was your favourite part of the shoot?** Favourite part of the shoot was possibly rolling off image after image in our bedroom set. Despite the rapid change of lighting every couple of minutes. I think we nailed it!

**What's your favourite part of your body and why?** Definitely my eyes. They're a pretty wicked grey/blue colour and rather piercing. I usually get my own way with them ;)

**Which models do you look up to; whose work inspires you?** I have way too many models that inspire me... but outside of the world of 'alt models' Take a look at Ruta! She is just stunning and has a portfolio to die for.

**What music, TV, book or film are you obsessing over at the moment?** I have gone back to the American Horror story series in preparation for the next two series coming to Netflix soon. Oh and I cannot get enough of Evan Peters and Taissa Farmiga <3

**WHAT DOES IT MEAN TO YOU  
TO JOIN THE ELITE FAMILY? IT  
MEANS A LOT TO BE HONEST. I  
HAVE BEEN A FOLLOWER OF ELITE  
FOR A WHILE NOW AND TO BE  
FEATURED A SECOND TIME? WELL

Photographer: Mermaidium

PHOTOGRAPHER: MERMAIDIUM

**If you could be any animal, what would you be?** Totally unsexy... I could probably relate to a bearded dragon the most... I need heat to keep me happy.

**What's a guaranteed turn on for you?** Nice aftershave, piercings and a hot smile

**Elite have HYPOTHETICALLY agreed to buy you some new underwear, where would you send us to get it?** Boux avenue. Gorgeous sets in there! You can't say hypothetically now!!

**If you could work with any photographer and any model who would it be with?** Okay, I have seen way too many amazing photographers to pick... But model? I may be cliché but I would love to work alongside Cara Delevigne! She looks so fun!

**What do you like most about Elite?** The hot women... of course.

**Finally, is there anything you would like to say to the Elite Readers?** Do not stop reading this and spread the word of Elite!

## The Real Life Tattooed Barbie

**Welcome back Courtney, how the hell are you?** Hey guys! I am so well thank you, working all the time as usual and getting up to some fun shoots!

**Seriously though, we're so thrilled to have you in Elite Courtney. Did you have fun shooting for us?** I had so much fun! It's not every day you get to listen to Britney Spears and have waffles for lunch!

**What is like to grace our cover for the first time?** I am so chuffed! Thank you! I see myself as such a dork half of the time, so it's so strange to think you guys want me on your cover!

**You always seem so effortless on camera, having shot so much is it hard reinventing yourself for new features?** Thank you, you know it's hard because I think every model has the same poses they use over and over again. With time you just learn, what works best for what shoot.

**You grew up in LA, what was that like and do you prefer it to the UK?** Growing up in LA was amazing, such a great experience to have, but I am so glad to have moved back as I don't think I would be where I am today if not. I love the UK, I love London, but I think there will always be a bit of me that misses that Californian sun!

**What are your “must dos” when in the US? Do you stick around LA or venture all over the place?** Well, I've only been to LA, so I would love to eventually travel more around the US and see the sights. Mainly I'll just go where the good food takes me!

**It was clear from your last shoot with us that you're not only a superhumanly talented model, but you're an amazing tattoo artist! How long have you been doing it for?** Thank you so much, I have been in the tattoo industry for three years now, and loving it more and more each day. It is such an amazing thing to wake up every day and love going to work. I feel so grateful for all clients that trust me enough to do what I adore.

Photographer: Tripodski

What has been your most memorable piece that you have worked on? Oh God, that's a tough one. I mean there have been some memorable times, good and bad. Bad when I tattooed a 60 year old prostitute, (she gave me a lot of details) who then gave me the worst, most traumatising lap dance of my life! Good, is every tattoo I do that makes my clients walk away super happy.

**SLACKJAW APPAREL -  
THE RAGLAN £25.00**

**What is your favourite tattoo on you?** My favourite tattoo... well I have two. They are the ones that my better half done for me. One says "you're so cool". A line from one of our favourite films True Romance, which we tattooed on each other. The other one is a sweet little love note he tattooed on my shoulder. Most meaningful tattoos I have.

**Have you adopted any LA traits? We can just imagine you chilling on the beach with shades...** Ha! That's me! I am such a sun worshiper! The beach just calls me! I'm not sure about traits, but there may be a few American words I still have hold of.

**Every time of the year seems exciting for you. You're always putting out fabulous content. When is your chill time and what do you get up to?** That's a good question, when is my chill time? I spend all my time working, and drawing if I'm honest. I'm pretty boring... my life is Netflix and chill for one! I hope to have a bit of a vacation

next year... sun, sea, sand and Netflix and chill... for two.

**You shoot for a lot of clothing brands; do you ever buy clothes any more? Where do you shop when you're after a new item for your wardrobe, what threads are you rocking off camera at the moment?** Ha! I buy clothes more often then I should! I'm pretty much an H&M and Topshop girl. I'm getting pretty into Mango recently. Right now I'm in work clothes, so black skinny jeans, Vagabond black boots and a comfy jumper... of course black.

**I think you may have the best 'pissed off' face we have seen... does that just come naturally or have you had to work at it?** Ohhhhhh, that resting bitch face is pretty on there right, ha! I'd like to say it's all put on, but I seem to spend majority of the time in my own world and that means my face just screams a dirty look! If I'm giving you an evil... it's just my face, I'm not a bitch. Unless there is a chick eye-fucking my man haha then that shit is real.

**Someone once asked me to describe “cool” in two words and I said Courtney Lloyd. You’re a definite icon of cool. Do you see yourself as cool person?** I am probably the most un-cool person alive! You should know this shooting me and seeing my ugly selfies! I’d like to pretend I live this super cool model lifestyle, but to me that’s watching disgusting amounts of TV programs on Netflix, watching cat videos and communicating to my other half in memes.

**Inspiration is important to you, be it playlists or blogs. What music and online pages are inspiring you at the moment?** I don’t actually follow any blogs, or take much inspiration from music. I take my inspiration from art, artists, the people in my life that I meet. I love bouncing off other people and there are so many incredible artists on Instagram that are constantly making me want to push myself more.

**Are you a homebird or someone that prefers a night on the town?** Oh I am such a homebird, I love snuggling up in bed with a film and pizza. I do love a night out every now and again but I am so old before my time, by 110pm all I fancy is a nice brew!

**It’s been a pleasure Courtney. What are you up to after this interview is done?** Thank you so much guys, honestly was such an amazing shoot and so good to meet the Elite team! Today I am working, and probably squeeze a couple hours of Netflix in.

**Have you got a message for your masses of worldwide fans and our lovely Elite readers?** Just a massive thank you, the constant support with my modelling and tattooing means so much to me! I’ll never say I am self made, because I could not have done half of it without you guys!

**What's your favourite part of your body and why?** I'd have to say my bum, I love a bit of junk in the trunk.

**On a scale of one to ten, how good looking are you?** Ha, how am I supposed to answer that when I see myself at my best and worst!

**If you could model for any brand, product or company, which would it be and why?** There are so many out there I'm finding it difficult to pick one. I'd love to model for Playboy. I really want to wear one of the classic bunny outfits!

Photographer: Mermaidium | Words: Richard Saunders

**Hi Josie, tell us how long have you been modelling?**  
Hey :)For just over a year now

**What was it like to work with the photographer on this shoot?** I loved working with him, it was so funny. I've never seen someone move around their furniture so much in one day! It was intense!

**What was your favourite part of the shoot?** Beginning, middle and end. I loved it all, I got to shoot stuff I wouldn't usually shoot, I was even on a boat at one point. I couldn't pick a favourite part.

**What's your favourite part of your body and why?** Eyes. I have a real thing about eyes in general anyway.

**On a scale of one to ten, how good looking are you?** Oh bloody hell, that really can vary, depends on what time of day? Where I am or where I'm going and can depend on who I'm with. It can chop and change very quickly.

**If you could model for any brand, product or company, which would it be and why?** I'd love to shoot for so many it would be hard to choose which one to pick! I love underwear, it's my weakness, I'd love to shoot for Reckless Wolf, their stuff is incredible.

**You're hosting an Elite sponsored jelly wrestling competition. Which four celebrity combatants will you book and why?** Robert Downey Jr. He would be hysterical. Channing Tatum... do I need to explain? Beyonce, the queen needs to be there. Lee Evans, because I need more laughter! I don't know who would win.. But I'd get to meet them so I'd have to book them!

**What's your favourite song currently?** Chromeo -Jealous (I ain't with it). Every time I listen to it it makes me so happy.

**WHAT'S A GUARANTEED TURN ON FOR YOU? CONFIDENCE. NOT TO BE MISTAKEN FOR ARROGANCE. SOMEONE THAT'S NOT GOING TO BE A LITTLE BITCH, SOMEONE WHO CAN TAKE CONTROL. A HAIR PULL WOULDN'T GO A MISS EITHER.**

**What would you like Elite readers to take away from your pictures in our illustrious mag?** I guess I'd like them to think I can actually take a decent picture. If anyone wants to model I'd want them to be inspired to model when they saw my pictures. I'd like to be the reason someone chose to follow their dreams.

**Describe your perfect photoshoot:** I would love love love to do a shoot that's sexy and intense but with animals. Like a wolf or a lion. And I'm just chilling with it like yo. This is my lion.

**How do you stay in such modelly perfect shape? Exercise? Diet? Good genes? Or luck?** At the minute it's luck and good retouching. My diets terrible and I don't exercise. Every month I say I'll join the gym and haven't yet. It's going to catch up with me though so better start soon!

**What do you like most about Elite?** The variety of girls there are and the fact a lot of them are unique in their own way. It's nice. It gives girls a chance.

**Finally, is there anything you would like to say to the Elite Readers?** Thank you for giving my images and interview the time of day, it's very much appreciated :) Josie x

# DIANA

Photographer: Jack Russell | Words: Richard Saunders

**Hey Diana! Welcome to Elite, tell us a bit about yourself:** Hey, well I'm 25 and I was born in London. I like to work hard and obviously like to party. If I want something I tend to go for it even though it might scare me. I kind of act on things then think later haha, I seem to get myself in some crazy situations.

**We'll start with the burning existential question... What bra size are you?** 32C-D.

**What was it like to work with the photographer on this shoot?** It was awesome working with Jack Russell, I've always loved his work. It's on the raunchy side but he's got a good eye ;)

**What's your favourite part of your body and why?** Hmm not sure to be honest, maybe my bum or lips. I have always wanted to be bigger but then you always want what you don't have haha.

WHAT DOES IT  
MEAN TO YOU  
TO JOIN THE  
ELITE FAMILY?  
IT'S COOL,  
THANKS FOR  
HAVING ME :)

A full-page photograph of a woman with long, dark, wavy hair. She is posing in a confident, slightly turned manner, looking towards the camera. She is wearing a black, strapless, low-cut top or bodysuit with a small, dark, heart-shaped tattoo on her upper left arm. She is also wearing black, high-cut shorts or underwear. The background is a textured, greyish-blue wall. In the top right corner, there is a block of white text.

**WHAT WAS YOUR  
FAVOURITE PART OF  
THE SHOOT? DOING  
THE SET FOR ELITE  
AND GETTING TO  
MEET SOME OTHER  
COOL PEOPLE.**

**What's your favourite item of clothing?** That's a hard one. I love my underwear, but then I love my Diesel jeans, you can never go wrong with a pair of those.

**How did you come to become a model?** I got asked to do some modelling work when I was 14, I never even thought about it before that moment. So I guess after my first shoot the interest was always there.

**Elite have HYPOTHETICALLY agreed to buy you some new underwear, where would you send us to get it?** Oh gosh... would have to be either Agent Provocateur or Calvin Klein!

**If your love life was an animal, which would it be?** Definitely a kitty/lion haha, what a weird question.

**What's a guaranteed turn on for you?** Confidence, maturity and obviously a man who takes charge ;)

**What's the weirdest location/prop you've had on a shoot?** I don't think I have done anything really weird... nothing comes to mind.

**How do you stay in such modelly perfect shape? Exercise? Diet? Good genes? Or luck?** Genes I think and maybe a little luck ,considering I eat more like a horse haha.

**What do you like most about Elite?** It's very diverse! The girls are cute and the style is pretty cool to.

FINALLY, IS THERE  
ANYTHING YOU WOULD  
LIKE TO SAY TO THE ELITE  
READERS? THANKS FOR  
HAVING ME AGAIN, I HOPE  
YOU ENJOY :)

# ANNA QUINN

## GOES DONUTS!

**Hey Anna! Welcome to Elite, tell us a bit about yourself:** Hey! I'm a model, cosplayer and artist. I have a slight obsession with Batman and Bruce Campbell. I have a disabled snake called Jack and I like to drink custard out of a mug.

**How long have you been modelling?** On and off about 10 years.

**What was it like to work with the photographer on this shoot?** Awesome, I love working with Tripodski!

**What was your favourite part of the shoot?** All of it! Being surrounded by such lovely people :)

**ON A SCALE OF ONE  
TO TEN, HOW GOOD  
LOOKING ARE YOU?  
I DUNNO... 5? I'M  
AWESOME AND THAT'S  
ALL THAT MATTERS!**

Photographer: Tripodski

**What's your favourite part of your body and why?** My eyes, they change colour.

**If you could model for any brand, product or company, which would it be and why?** Vivienne Westwood, her designs are amazing and the quality is just incredible!

**You're hosting an Elite sponsored jelly wrestling competition. Which four celebrity combatants will you book and why?** Only four.... hmm... Matthew McConaughey, Tom Hardy, Scarlett Johanson, and Chris Hemsworth as these are all people I would like to see covered in jelly...and possibly lick it off.

**What's your favourite song currently?** Xavier Rudd – Come Let Go.

**What would you like Elite readers to take away from your pictures in our illustrious mag?** To get a little insight in to who I am.... I'm covered in a lot of beautiful art which says a lot about me!

**What's a guaranteed turn on for you?** Positivity, creativeness, fangs, a shared love for Bruce Campbell.

**Describe your perfect photoshoot:** I enjoy all my shoots but in an ideal world....It starts after midday, there is a hair stylist, makeup artist and designer so I literally don't have to do any prep or carry anything and I'm fed! OR the complete opposite where it's a shoot for an outfit I've made or concept I've put a lot of time into as it's so rewarding to get the images back and seeing your hard work come to life! But still with food...food is a must!

**How do you stay in such modelly perfect shape? Exercise? Diet? Good genes? Or luck?** Stress probably! I'm really lazy and don't particularly eat well... but shoots are exercise... right? :P

**What do you like most about Elite?** The beautiful women you fill it with!
